The year, 2020, proved to be a challenging year. With COVID-19 and our governor's restrictions.

Although the bar was opening and closing, we were able to keep the rifle ranges and the grounds open to members.

Despite everything that went on we were able to accomplish the following:

1. Installed city water and sewage
2. Replaced the garage roof
3. Installed P.O.S. system for the bar
4. Took in 37 new members
5. Updated by-laws
6. Installed new camera system and upgraded our security system
7. Started updating our website

With the new year, 2021, in front of us, we are looking to meet new challenges.

Some of those challenges are:

1. Building a 3D archery range
2. Starting a youth committee to have more activities for our children and grandchildren
3. have a committee planning improvements to the Clubhouse and grounds.

Anyone wishing to contribute their time to a committee should contact an Officer or Board of Director.

By- law update:

- Regular member dues are \$100 a year.
- Military members receive a 10% discount.
